

TOWN AND COUNTRY PLANNING ACT 1971

THE WIRRAL BOROUGH COUNCIL TREE PRESERVATION ORDER (NO. 28) 1978

NOTICE IS HEREBY GIVEN that the Wirral Borough Council have made the Wirral Borough Council Tree Preservation Order (No. 28) 1978.

If no objection or representations with respect to the Order are duly made, or any so made are withdrawn, then not less than forty-two days from the date of the service of the notice of the making of the Order, the Order may be confirmed (without modification) as an unopposed Order by the Council, instead of being confirmed by the Secretary of State.

The effect of the Order is that, subject to the provisions and exceptions set out, no person shall, except with the consent of the Borough Council, and in accordance with the conditions, if any, imposed on such consent, cut down, top, lop or wilfully destroy or cause or permit the cutting down, topping, lopping or wilful destruction of any tree specified in the First Schedule contained in the Order. Any person contravening the provisions of the Order is guilty of an offence and liable on summary conviction to a fine not exceeding £1,000 or twice the value of the tree, whichever is the greater.

The provisions of Section 61 of the Town and Country Planning Act 1971 comply in this case, and the Order therefore takes effect provisionally on the 29 September 1978 and will continue in force for six months or until the Order is confirmed or otherwise, whichever is the earlier.

The Order has been made by the Council as in their opinion the trees afford an outstanding amenity feature of the area. A full statement of the reasons for the making of the Order is attached to this Notice.

A certified copy of the Order and of the map is deposited in the offices of the Director of Administration & Legal Services, Town Hall, Wallasey, and may be inspected during normal office hours (Monday to Friday, 8.45 a.m. to 5.00 p.m.). METROPOLITAN BOROUGH OF WIRRAL

TOWN & COUNTRY PLANNING ACT 1971

TOWN & COUNTRY PLANNING (TREE PRESERVATION ORDER) REGULATIONS 1969

Statement of Reasons for the making of The Wirral Borough Council Tree Preservation Order No. 28 (1978)

The copse of trees standing on land off Thorns Drive, Greasby, Wirral, adjoining the property known as "The Thorns":

Map Reference Ordnance Survey National Grid SJ 25038680

1. Outline planning permission was granted for residential development off Mill Lane, Greasby, by the Secretary of State on Appeal, on 24th January 1977. Subsequent approval of details has brought new housing development up to the southerly edge of the copse and planning permission has also been given for the spine road through the estate, part of which runs round the copse. A Tree Preservation Order is proposed to prevent indiscriminate lopping or felling of the trees in the copse, in the interests of visual amenity, as they lie in an area which is lacking in significant tree cover and the copse is a prominent woodland feature within the new housing estate.
2. The area of land on which the copse stands is intended to be left as public open space, although it will be largely surrounded by new medium density housing. It could therefore, function as a focal point for the residents of the new housing estate. Within the copse are a number of ponds, some of which are intended to remain. The combination of the water and the trees presents a most attractive natural enclave in an expanding suburban area and a Tree Preservation Order will afford the necessary protection.
3. The Council believes, therefore, that the making of the Order is necessary to ensure that the visual amenity afforded by the copse, may continue to be enjoyed and so that control may be exercised over those trees which are included in the First Schedule to the Order, and which are indicated on the map annexed hereto.

METROPOLITAN BOROUGH OF WIRRAL
TOWN AND COUNTRY PLANNING ACT, 1971

THE WIRRAL BOROUGH COUNCIL

TREE PRESERVATION ORDER, (No. 28) 1978

THE WIRRAL BOROUGH COUNCIL (in this ORDER called "the authority") in pursuance of the powers conferred in that behalf by Section 60 of the TOWN AND COUNTRY PLANNING Act 1971 and subject to the provisions of the Forestry Act 1967, hereby make the following Order.

Provided that where the application relates to any woodland specified in the First Schedule to this Order the authority shall grant consent so far as accords with the principles of good forestry, except where, in the opinion of the authority, it is necessary in the interests of amenity to maintain the special character of the woodland or the woodland character of the area, and shall not impose conditions on such consent requiring replacement or replanting.

8. The provisions set out in the Third Schedule to this Order, being provisions of Part III of the Act adapted and modified for the purposes of this Order, shall apply in relation thereto.

9.
