METROPOLITAN BOROUGH OF WIRRAL

TOWN AND COUNTRY PLANNING ACT, 1971

Town and Country Planning (Tree Preservation Order) Regulations  
1969

Statement of reasons for the making of the Wirral Borough Council  
Tree Preservation Order No. 71 (1982)

Trees standing within the curtilage of land fronting onto Montgomery  
Hill, Frankby, Wirral.

Map reference. Ordnance Survey National Grid SJ.2395.8595

The land referred to is within <sup>the</sup> Draft plan for the West Cheshire  
Green Belt which is now superceded by the Draft Merseyside County  
Council Green Belt. It is owned by the Metropolitan Borough of  
Wirral and is at the present time for sale. It has an area of  
approximately 2 Hectares (4 Acres) and at the present time it  
is used for grazing. The site is surrounded by mature Pine trees  
and some of the finest in the District and can be seen from  
various aspects in both Montgomery Hill and Column Road.

Having regard to the visual amenity value the Council consider  
that it is desirable to retain all the trees on the site. The  
trees are characteristic of Montgomery Hill where there are many  
fine specimens standing on privately owned land and Council land.

Should this land be sold there is the possibility that having regard  
to the type of agricultural use it is put to, several trees may be  
felled. If the land is continued to be used for grazing by horses  
then the trees will need to be protected because of the eventual  
destruction of the trees by the horses.

It is felt that a Tree Preservation Order should be made which  
would include all the trees standing on the land.
