## WIRRAL Standing Advisory Council for Religious Education (SACRE) ACTION PLAN 2014- 2017

wirral.sacre.org.uk

Wirral SACRE's statutory role is to advise its local authority on religious education (RE) and collective worship in Wirral schools with the aim of supporting and improving both.

Our goal is to excite, enthuse and raise interest in the subject of RE by supporting teachers of RE across Wirral (in both Primary and Secondary Schools). Our Members will be ambassadors and advocates for RE by raising the profile of Wirral SACRE and (improving the image) promoting the importance of RE) so that RE is seen as an exciting and interesting curriculum subject and one chosen voluntarily at GCSE and A level by students in the majority of Secondary schools across Wirral.

Objective 1 : Promote awareness of the role and activities of Wirral Standing Advisory Council for Religious Education (SACRE)

As the boys [currently involved] will be leaving after Year 11, they will try to recruit two Year 10 and two Year 9 pupils so that there is a rolling membership. Mrs Razbully hoped that she would be able to take the boys to New Brighton Primary School to join up the project with the Primary schools.  Ms Z Abernathy (Wirral Youth for Christ) expressed interest in developing direct links to projects in her organisation.
