

**SCHEME FOR THE CO-ORDINATION OF ADMISSION ARRANGEMENTS
FOR MAINTAINED SECONDARY SCHOOLS IN THE WIRRAL AREA
FOR THE ACADEMIC YEAR 2022-2023**

This scheme fulfils the requirements for a scheme for co-ordinating admission arrangements under the School Admission (Co-ordination of Admissions Arrangements) (England) Regulations 2008, made under the School Standards and Framework Act 1998, for the area of Wirral Council. It builds on the well-established coordination of secondary school admissions that have been a longstanding feature of local practice.

The scheme applied for admissions to secondary schools in the academic year 2022/23 and for subsequent years, subject to any review.

This version of the Co-Ordinated Scheme was updated in July 2021 to reflect changes required by the Admissions Code 2021, which is expected to come into force on 1st September 2021, pending the Code passing through Parliament.

The co-ordinated scheme applies to all schools, excluding special schools, maintained by Wirral Council ("the Council") and to preferences expressed by Wirral resident parents and carers for schools maintained by other English local authorities, academies and free schools. Admissions to other schools with independent status are not covered by this scheme.

1.0 Applications for school places for admission into Year 7 - the normal admission round

- 1.1 Wirral Council will act as the co-ordinating authority for all applications. Offers will be made by the Council, in its role as the home authority, on behalf of the admissions authority for the school allocated as follows:

Admissions Authority	Category of School
Wirral Council	All Wirral community and voluntary controlled schools
Governing body of school	All Voluntary Aided, Foundation, Trust and Academy schools
Maintaining Local Authority	Non-Wirral community and voluntary controlled schools

1.2 The admission arrangements for schools maintained by Wirral Council are published on the Council's website and in its information booklets, in line with the requirements set out in the School Admissions Code. The Council's information booklets will be available electronically on the Council's website from 1 September. Hard copies are obtainable by request from the Council at the start of the autumn term. Admissions arrangements are also available from each school on request.

1.3 All parents who live in the area administered by Wirral Council must apply for places in maintained secondary schools either in Wirral or in the area of another Local Authority by completing the Wirral Parental Preference application. On-line applications are recommended and are made through the Council's website: www.wirral.gov.uk/schooladmissions. Parents of Year 6 pupils who are unable to access the online admission system can request a paper application form from Wirral Council from the start of the autumn term.

The form (online or paper) provides an opportunity for the parent to:

- apply for up to 5 schools
- rank the schools applied for in order of preference

1.4 Applications for places sent direct by parents and carers to individual schools cannot be accepted and must be sent to the Council for inclusion within these arrangements.

1.5 Preference forms should be returned to Wirral Council by 31st October to ensure the allocation of a school place on 1st March or next working day (the National Offer date). Applications received after the published deadline of 31st October will be dealt with once the offer of places has been sent to parents on 1st March or next working day.

1.6 **Applications from separated parents.** Only one application can be processed for each child; therefore it is important that both parties in shared custody arrangements are in agreement over the preferred school(s) named. The parent with whom the child is majority resident should submit the application giving their address as the child's home address— this is the parent with which the child resides most days in a week.

In a situation where a child spends exactly equal time with both parents, the child's main permanent residence should be submitted as their home address. If agreement cannot be reached, or if neither parent has been granted a Specific Issues Order in this respect, then the Council will accept the application from the parent with whom the child is "ordinarily resident". This is the address where the child lives for the majority of the school week (Monday to Friday), and is usually where the parent/carer

receives child benefit for the child (where eligible). Proof of address and residence arrangements will be required with the application.

- 1.7. **Changes of address.** Parents and carers must inform the Council immediately of a change of address, even if details of a future change of residency were included on the application form. The Council will require supporting evidence to show that the place of residency has changed; e.g. a letter from the solicitor confirming the completion date; a signed rental agreement showing the start of the tenancy and its duration. In addition further information may be requested – for example, copies of council tax and utility bills or any other information considered relevant to the application, including evidence of disposal of previous property. Information and supporting evidence must be received by 1st January. Proof of residency received after 1st January will not be used to assign a higher criterion for admission, but will be used to send the decision letter on the published offer date. We may remove a place where it has been identified that a change of address has taken place before 1st January and has not been declared.

- 1.8 **Home address.** This must be the child's permanent home address where he/she lives with a person of parental responsibility as the main carer as defined by the Children Act 1989. Applicants must not give the address of a business, relative, childminder, friend, a temporary address or an address to which they hope to move. The home address must not be where parents have taken out a short term let on a property solely to use its address on the application form without any intention of taking up permanent residence there. Arrangements where parents leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be "ordinarily resident" with that person. The Council will require proof of residence which may include proof of sale of a previous property.

Wirral Council regularly check addresses and **any deliberate misrepresentation will result in a place being withdrawn.** The Council acts on behalf of all Wirral admission authorities and reserves the right to request independent confirmation of the child's place of residence, as felt appropriate. The Mainstream Admissions team may have to share the information provided with other departments of the Council in order to verify the authenticity of pupil's addresses. This may include data held by Council Tax and/or Housing Benefit teams. The Council's Fraud and Investigations Team may be asked to review the information that has been provided. This may include interviewing and taking a signed statement from the applicant.

- 1.9 **Withdrawal of places.** The Authority has the right to withdraw any place offered on the basis of a fraudulent or intentionally misleading application, or where a place has been offered in error.

2.0 Dealing with Applications

- 2.1 The Council's admissions criteria will be applied to rank the order of priority of each application for community schools.
- 2.2 The Council will provide Academy, Foundation, Trust and Voluntary Aided Schools with details of applicants for their school by 15th January. Details of preferences for a school place in the area of another Local Authority will be sent to that Authority along with any details and supporting evidence provided by the parent by 1st January.
- 2.3 Preference ranking will not be shared with school admission authorities in accordance with paragraph 1.9 of the School Admissions Code 2014 as this cannot lawfully be used when applying oversubscription criteria.
- 2.4 The Governing Bodies of Academy, Foundation, Trust and Voluntary Aided schools will rank each application by applying the school's admission criteria and are required to notify the Mainstream Admissions team of their ranking by 30th January.
- 2.5 Where a pupil is eligible to receive an offer of two or more school places then the Council will allocate the highest priority preference.
- 2.6 The Mainstream Admissions team will notify the Governing Bodies of Wirral Academy, Foundation, Trust and Voluntary Aided schools of those pupils who will provisionally be allocated places at their school by 13th February.
- 2.7 When the Council receives from other Local Authorities details of their provisional allocation for Wirral children seeking places in schools maintained by them, the Council will then offer the highest preference if they are eligible for more than one school.
- 2.8 On 23rd February Wirral Council will inform schools and neighbouring Authorities of the final allocations. On-line applicants will receive an e-mail notification on 1st March (or next working day). Paper form applicants will receive a letter posted by second class post on 1st March (or next working day).

3.0 Determination of applications for Community schools

- 3.1 Each secondary school has a published admission number. Places will be allocated up to but not beyond this number.
- 3.2 All children who have applied before 31st October will be eligible for a place so long as there is space within the school's admission number. If there are more

applications than there are places available, then eligibility for community schools will be determined in accordance with the following scheme of priorities:

- Children in care, and children who were in care but have been adopted or are subject to a residency order or special guardianship order (“previously in care”) including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- Pupils who have a medical reason for attending a particular school. A letter in support from a health care professional will be required as evidence. A letter in support from a senior health care professional will be required as evidence which must make it clear why only this school is appropriate for your child’s medical needs.
- Pupils who have a brother or sister of statutory school age (including half or step-brothers and sisters living in the same household) at the school when the pupil starts school. If there are more children with older brothers or sisters at the school than there are places available, we will give priority to children with the youngest brothers or sisters at the school.
- Pupils who live nearest to the school. We measure distances from home to the school gate nearest to the child’s home using the shortest road route, unless it is possible to use a footpath which we consider to be a safe walking route, using the Council’s computerised routing system.

3.3 If places remain available at the school after all “on time” applicants have been allocated, places will then be allocated to late applications received after 31st October according to the admissions criteria, up to the school’s admission number.

3.4 **Multiple births.** For community schools, where the final place in a year group is offered to one of twins (or triplets etc.) it will be our policy to admit the other twin even if that means going above the admission number.

3.5 Applications for Academy, Foundation, Trust and Aided schools will be determined by the governing bodies of these schools in accordance with their published admission criteria.

3.6 **Mandatory Allocation.** Where it is not possible to allocate a place at any of the schools applied for, children resident in Wirral will be allocated a place at the nearest appropriate Wirral school where there are places available. “Appropriate “ where possible means community school if the parents’ preferences indicate preferences for non-denominational education; or a Catholic school if the parents

indicated a preference for education in a school of that denomination. The nearest school will be measured on shortest walking distance using the Council's computerised routing system.

- 3.7 **Special Needs.** All schools will be required to admit a pupil with an Education Health and Care Plan (EHCP) naming the school.

A Health Care Plan does not give any particular priority for admission to a specific school.

3.8 **Route measurements**

The “shortest road route” from home to school starts at the “seed point” of the home address as provided by the Ordnance Survey compiled from Royal Mail and/or local council data. The starting point connects to the nearest point of the Authority's digitised routing network. The digitised network is based on the Integrated Transport Network (ITN) supplied by Ordnance Survey and is accurately digitised to measure along the centre of roads. The Ordnance Survey ITN dataset is the most accurate road dataset available and is the definitive national road network for Great Britain. The ITN has been augmented by the Authority to take into account public footpaths and alleyways etc. that are approved to be safe for use by children, accompanied as necessary by an adult, by the Authority. The end point of the “shortest road route” is the nearest open gate of the school officially available for use by pupils at the start and end of the school day. The location of these gates has been set by the Authority based on information provided by the school.

The “shortest road route” is not necessarily a driving route as it may use in part a non-driveable route, such as a footpath. The shortest road route is also not necessarily a walking route, because the measurement is along the centre of the road, not the edge (pavement or equivalent).

The same measuring system must be used for pupils in relation to admission to schools as this treats all pupils equally. Other measuring systems may give a different measurement but the Authority cannot take a measurement from another system into account. Online systems that parents may use for comparison, including Google Maps and walk-it.com etc. use the free Ordnance Survey Meridian dataset which is far less detailed, and consequently less accurate. They will not have an accurate starting point, will not bar unsuitable paths, and will not include accurate positions for the gates of the school being measured to.

For addresses outside the Authority's digitised network of approximately 48 square miles, including overseas addresses, an internet mapping solution will be used, e.g. maps.google.co.uk.

4.0 Admission to Grammar Schools

- 4.1 Admissions authorities for the grammar schools in Wirral will allocate places only to children who have achieved the required standard. If they are oversubscribed with children who have achieved the standard, they will not be able to offer places to all; they will use other non-academic criteria to decide which children should be offered places.
- 4.2 **Request for Assessment.** Parents who wish their child to be assessed for non-Catholic grammar school education should register with Wirral Council by **31st May in Year 5** by completing either the online or paper Request for Assessment form.
- 4.3 The Council administers the assessment arrangements for Calday Grange Grammar School, West Kirby Grammar School, Wirral Grammar School for Boys and Wirral Grammar School for Girls. The grammar schools have criteria to determine which children will be given places if more children achieve the standard than there are places available.
- 4.4 Parents who wish their children to be assessed for a place at Upton Hall School FCJ or St. Anselm's College must follow the procedures for requesting an assessment set out by those schools; those children will be assessed by the schools themselves.
- 4.5 **The selection tests.** The assessment is based on the results of a test comprising two papers that pupils take in Autumn of Year 6. The tests have been designed to predict a pupil's potential performance at secondary school and so preparation for the tests is not necessary. However, familiarisation materials containing sample questions will be available by 30th June to help children prepare for the tests.
- To ensure that children are not disadvantaged because of their date of birth, in each case the score is age standardised to take account of each child's age in years and completed months. A total weighted score is calculated from the Verbal, Maths and Non-verbal components, for boys and girls. Children who reach the qualifying score will be deemed to have reached the required grammar school standard.
- 4.6 At the end of the process, the Council will have a list of the children who have reached the qualifying score. This does not necessarily mean that they will go to a grammar school; that will depend on the number of preferences that we have for

the grammar schools. If a grammar school is oversubscribed, the governors use other criteria to decide who should be given places.

- 4.7 The Council will send the outcome of the assessment tests by e-mail to parents who have provided a valid e-mail address on their request for assessment form within 6 weeks of the assessment date. Postal notification will be despatched to all other parents on the same date as e-mails are sent out, by first class post.
- 4.8 A late test will take place later in the Autumn term for pupils who were registered to take the test but were unable to do so due to illness or absence on the main test date. No other arrangements will be made to assess children if request forms were received after 31st May, unless they have moved from another part of the country. Parents should still submit a preference form before 31st October naming at least one grammar school. If their child does not meet the grammar standard, any grammar preferences will be withdrawn.

5.0 Determination of applications for Foundation, Trust, Academy and Aided schools

- 5.1 The governing bodies of Foundation, Trust, Academy and Aided schools publish their own admission arrangements which include the criteria which they will use to determine priorities if their school is oversubscribed.
- 5.2 **Special Educational Needs.** All schools will be required to admit a pupil with a Statement of Special Educational Needs or Education Health and Care Plan naming the school.

6.0 Offer of Places

- 6.1 Where online applications have been received from parents resident in Wirral, the parent or carer making the online application will receive their offer by e-mail on 1st March (or next working day). Parents applying on a paper form will be informed in writing by second class post by the Council posted on 1st March (or next working day) of the school allocated to their child.
- 6.2 This will include the allocation of a place in a school of another Local Authority if the parent's application for a place there has been successful. The letter or e-mail will also inform parents of their legal right to appeal to an independent panel and who to contact to make an appeal. Parents should, wherever possible, make an appeal within 20 working days of receipt of the letter or e-mail notifying them of the outcome of their application.

7.0 Late Applications

- 7.1 Preferences which are received on or after 1st November will be dealt with after places have been allocated on 1st March (or next working day). At that point some schools may be full and no more places will be allocated at those schools. In the case of schools which have places available, places will be allocated up to the school's admission number in accordance with the arrangements described in paragraphs 3 and 5.
- 7.2 Late applications for grammar schools will require separate arrangements for testing. See 4.9 above.
- 7.3 Parents will be notified in writing by Wirral Council. The letter will also inform the parent of their legal right to appeal and who to contact to make an appeal. Parents should, wherever possible, make an appeal within 20 working days of receipt of the letter notifying them of the outcome of their application. Parents and carers must accept or decline the offer of a late place within 10 working days of the offer date.
- 7.4 If places become available before the start of the autumn term, the Council will re-allocate them up to the school's admission number. If there are more children interested in a particular school than places available, in the case of Community schools the Council will use the same criteria to determine priorities as is used for the initial allocation. In most cases the re-allocation will be made depending on where the children live. If this is the case, the Council will keep a list in order of those who will have priority because they live nearer the school in question.
- 7.5 If at the end of the Summer Term a school is believed to be full, the Council will close the procedures and make no more reallocations. However, it may be that places will become available at the beginning of or during the Autumn Term. For community schools, the Council will keep a waiting list of children whose parents are interested in obtaining a place at the school if a place becomes available, following the same criteria as when places were first offered. The waiting list will be kept open until the last day of the autumn term.

8.0 In Year applications outside the normal round of admissions

- 8.1 'In year' applications are those made during the school year into any year group, other than at the normal point of entry (i.e. the normal admission round). This will include applications from parents and carers of children moving into Wirral from another Local Authority area, moving within Wirral, or seeking to transfer to an alternative school for other reasons.

- 8.2 **Opted-In** - Unless schools have specifically “opted out” of co-ordinated in-year admissions applications (see 8.19 below) applications for all schools including Academy, Foundation, Trust and Voluntary Aided schools must be made on a common Wirral Transfer Form which can be submitted on the Wirral Admissions Portal or on a transfer form available on the Wirral Admissions website. The form allows parents to state up to three school preferences ranked in priority order.
- 8.3 Opted-In schools should not deal with transfer application forms. Any forms received by schools should be forwarded to the Mainstream Admissions team of Wirral Council. The Council coordinates all parental requests for in-year transfers and placements unless schools have opted-out of in-year transfers.
- 8.4 Parents are advised to contact the headteacher of their child’s current school to discuss their request prior to submitting an application.
- 8.5 The Mainstream Admissions Team will then request completion of appropriate documentation from their current school to forward to their preferred school. Requests for transfer in Y10 and Y11 will be discouraged on educational grounds, but parents have the ultimate right to proceed with the request. Requests for transfer in these year groups due to relocation to Wirral from another area or country will be processed automatically.
- 8.6 For transfers between Wirral schools, the Council will request from the Headteacher of the child’s current or previous school, information relating to the child’s curriculum record, attendance and behaviour. The headteacher of the school must sign the form and return it to Mainstream Admissions within 5 school days. Where a child has relocated to Wirral from another area or country, this information will not be requested by the Council.
- 8.7 The background information and any relevant documentation from other agencies such as the Attendance Team, social worker, educational psychologists and so on (where provided), will then be forwarded to the Headteacher of the requested school(s). Where parents have applied online, the application is available for schools to view on an online Portal; paper applications will be forwarded alongside the background information.
- 8.8 The governing body of the requested school should reply to the Council within 10 school days of receipt of the application notifying the decision whether a place will be offered.
- 8.9 If the school believes that the child should be considered under any of the elements of the Fair Access Protocol, this must be notified to the Mainstream Admissions team

within 5 school days of receipt of the application. Where it would be helpful, an Attendance Officer, Exclusions Officer or Managed Move Officer may facilitate meetings between the parents and the schools involved in order to resolve any difficulties.

8.10 For Community Schools the Council will consider all available information and decide whether to agree or refuse the request within 10 school days of receipt of the application.

8.11 If a parent expresses a preference for one or more of the grammar schools, then their child will be assessed by the school or schools concerned and a decision made by the governing body as to whether to offer a place. The governing body will then inform the Council of the outcome of the application.

8.12 Where a pupil is eligible to receive an offer of two or more school places then the parent's highest eligible preference will take precedence. Headteachers will be informed of the decision.

8.13 All parents will be informed by the Council of the school place allocated by letter and advised to contact the headteacher of the school to arrange admission. The letter will also inform the parent of their legal right to appeal and who to contact to make an appeal. Parents should, wherever possible, make an appeal within 20 working days of receipt of the letter notifying them of the outcome of their application.

8.14 In accordance with the School Admissions Code admission authorities must not refuse to admit a child solely because:

- (a) they have applied later than other applicants;
- (b) they are not of the faith of the school in the case of a faith school;
- (c) they have followed a different curriculum at their previous school;
- (d) information has not been received from their previous school;
- (e) they have missed entrance tests for selective places.

8.15 Parental preference must be met unless the school believes that to do so would "prejudice the efficient education or the efficient use of resources", under Section 86 of the School Standards and Framework Act 1998. In effect, schools are expected to offer a place if there are places available in the year group. Parents who are refused a place have a right to an appeal to an Independent Appeal Panel. Schools considering refusing to offer a place when places are available in the year group should consider whether they believe their decision to refuse was one that a reasonable admission authority would have made in the circumstances of the case, as the onus will be on the school to prove prejudice.

- 8.16 **Challenging behaviour:** The Admissions Code says that if a governing body does not want to admit a child with challenging behaviour as an in-year transfer, even though places are available, it must refer the case to the local authority under the Fair Access Protocol. The definition of “challenging behaviour” is set out in the Fair Access Protocol. Any such cases must be raised with the local authority within 5 working days of receiving the transfer paperwork. Children not meeting the Fair Access definition of “challenging behaviour” must be considered as in year transfers. Fair Access does not apply to a looked after child, previously looked after child or a child with an Education Health and Care Plan (EHCP) naming the school as these children **MUST** be admitted.
- 8.17 If the request is refused, headteachers are informed of the decision and parents are informed in writing and given details of their legal right to appeal. Parents should, wherever possible, make an appeal within 20 working days of receipt of the letter notifying them of the outcome of their application. If a parent lodges an appeal, copies of the relevant documentation will be sent to the preferred school.
- 8.18 The time taken for a transfer request to be processed should be as short as possible. The Council expects that parents will be informed of the outcome of their request within 15 school days, however this may take significantly longer where background information is not received in a timely manner, further information is required in order to process the application such as visa or address verification, the application requires an assessment for a selective school or the application is referred under the Fair Access Protocol.
- 8.19 **Opted-out** – Schools who wish to opt-out of the co-ordinated in-year transfer processes must advise the Council in writing by 30th September 2021 in the first year of introduction, taking effect from 1st November 2021. Schools must then declare to the Council in writing whether they are opting in or out annually by 31st July in every subsequent year.

This option only applies to own-admission authority schools, Community schools will remain opted-in for in-year transfers.

There is no option to “opt out” of the normal admissions round for entry to Year 7, it is a statutory requirement that all such applications are co-ordinated centrally by the Council.

“Opted-out” schools must provide an appropriate application form for parents to complete and **notify the Council of each application within 2 days of receipt.**

Admission decisions must be notified to parents within 15 school days of receipt, with an aim to notify parents within 10 school days. Decision outcome letters must include reasons for refusing to offer a place (if applicable) and information on how to appeal, for all applicants.

The school **must notify the Council of the application decision within 2 school days of the decision**.

Opting-out of in-year co-ordination does NOT mean opting out of the Fair Access Protocol; referrals to the Fair Access Protocol must be made within 5 school days of receipt of the application by sending to the Local Authority.

In addition to the above, opted-out schools are responsible for ensuring that all decisions are compliant with the School Admissions Code, the general provisions of the Wirral Co-Ordinated Scheme and the school's own admission policy. They are responsible for all checks including addresses, passports/visas; PEPs for looked after children, obtaining background information from previous schools and for keeping records of all decisions made by the Governing Body or Admissions Sub-Committee.

8.20 **Children of UK service personnel.** Places for these children will be allocated in advance if accompanied by an official letter with a relocation date and Unit postal address or quartering area address.

8.21 **Overseas applications.** Parents who have already moved to the UK from overseas who are British or Irish citizens; or have Settled Status under the EU Settlement Scheme; or who are in the UK on a Work Visa or Student Visa; or who are part of a family entering or residing in the UK under the immigration route for British National (Overseas) citizens and their dependents; or who have an endorsed passport showing right of abode; can apply for places for their child at any school covered by this scheme.

Parents or children in these categories who do not yet live in the UK can apply before the date they move to the UK. However, the address to be used in the allocation will be the address that the child is living at on the closing date, unless a subsequent house move has been accepted up to the last date for changes in the coordinated scheme. A UK address will only be used once the child is residing at that address, and evidence will be required of this, as in paragraph 1.10 of this document.

For applicants who are resident overseas and are not yet resident in the UK, the Council may ask to see passports and visas for verification and may confirm visa status with the Home Office if this is unclear or missing. It is the responsibility of foreign nationals, who wish to apply for a state-funded school place, to check that they have a right of abode or that the conditions of their immigration status otherwise permit them to access a state-funded school

Children in the UK on a Standard Visitor visa or a Short-Term Study (English Language) visa; are not entitled to free state education. Any parents wishing to access education for their child whilst visiting the UK may however choose to pay for private education during their stay. The only waiver to this applies to children of visiting academics (parent has an Academic Visitor visa, up to 12 months) who may access free state education during their visit.

Visa over-stayers may be asked to provide evidence of an on-going appeal in order to access free state education for the duration of the appeal process.

9.0 The In Year Fair Access Protocol

- 9.1 All requests for in-year places will be considered with reference to the Council's current admission arrangements and procedures for in year placements. The majority of requests will be agreed or refused by admission authorities with reference to two important factors: parental preference, and the availability of places within the relevant year group.
- 9.2 All Wirral schools will take part in the Fair Access Protocol, which is published separately. Schools must respond immediately to requests for admission to school according to the timescales above so that admission of the pupil is not unduly delayed.
- 9.3 The categories of children who can be considered under the Fair Access Protocol are set out in that document. Children who are looked after and previously looked after, and children with an Education Health and Care Plan (EHCP) naming the school are NOT included in the Fair Access protocol. These children MUST be placed in the school of their carer's preference irrespective of the availability of places in the year group.
- 9.4 Parents retain their legal right to an appeal for a place at any school of their preference. This right is not affected by the decision of the Fair Access Panel. Parents do not need to wait for a Fair Access Panel decision prior to submitting an appeal to an Independent Appeal Panel.
