

Core Theme 1. Land, soils, minerals and waste sites

Core Theme 2. Ecology and geology assets

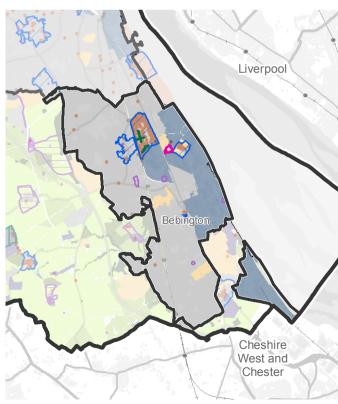

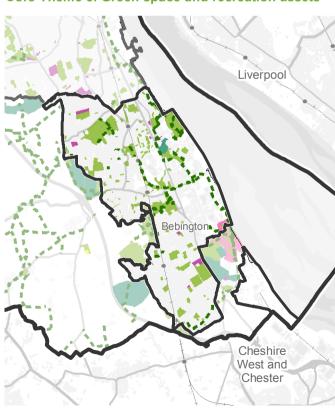

Core Theme 3. Water and coastal environment assets

Core Theme 4. Landscape and cultural heritage assets

Core Theme 5. Green space and recreation assets

Core Theme 6. Carbon storage assets

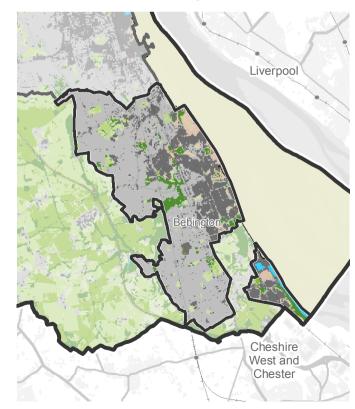

Figure 13.5 Environmental constraints around Bromborough Urban Area

| Bromborough Orban Area | |
|--|--|
| Wirral houndary | Flood zone 3 |
| Wirral boundary Other Local Authority | Flood zone 2 |
| boundary | Areas affected by coastal |
| Landform edge | change |
| Bromborough urban area | River |
| Other settlement area | Waterbody |
| Core theme 1. Land Soils | Nitrate vulnerable zone |
| ▲ Permitted waste site | Source protection zone |
| Industry / processing facility | 1 |
| Urban waste water | 2 |
| treatment plant | 3 |
| Waste disposal site | Core theme 4. Historic |
| //// Historic landfill site | Scheduled monument |
| Brownfield site | Site of archaeological |
| Agricultural Land | importance |
| Classification | Registered parks and |
| Grade 2 | gardens |
| Grade 3 | Conservation area |
| Grade 5 | Listed building |
| Non Agricultural | Cheshire historic |
| Urban | characterisation |
| Core theme 2. Ecology | Ancient Fieldscapes |
| WeBS boundaries | C20th Fieldscapes |
| Local Nature Reserve | Post Medieval Fieldscapes |
| Local Wildlife Site | Communications |
| Local Geological Site | Industry |
| Ramsar | Non-improved Land |
| Special Protection Area | Ornamental |
| Site of Special Scientific | Recreation |
| Interest | Settlement Water Bodies |
| SSSI Impact Risk Zone - Residential | Woodland |
| Ancient woodland | Core theme 5. Greenspace |
| Open mosaic habitat | Public Right of Way |
| Priority Habitat Inventory (PHI) | Open space |
| Coastal saltmarsh | Allotment |
| Deciduous woodland | Golf course |
| Good quality semi-improved | Country park |
| grassland | |
| Mudflats | |
| | Registered common land |
| No main habitat but | Core Theme 6. Carbon |
| additional habitats present | |
| additional habitats present Reedbeds | Core Theme 6. Carbon storage |
