

**SACRE**

## **Holocaust Memorial Day**

In 2016- there will as usual, be a Holocaust Memorial Event to which Secondary schools will be invited.

HET do not permit arrangements concerning speakers to be made until the Autumn Term is underway. Information concerning the proposed event will be available for Teachers as soon as possible.

Meantime, a resource from last year, which was sent out to schools can be seen, along with an account of last Year's Event.
