The Hoylake Community Planning Forum is a relevant body as required by Section 61G of the 1990 Act. The Forum has been established for the purpose of promoting or improving the social economic and environmental well-being of Hoylake, the neighbourhood area to which the Forum relates. This purpose is clearly set out in the Constitution.

The Constitution also confirms that membership is open to all who live or work in Hoylake, including elected members of Wirral MBC. To date, the Forum includes a total of 41 members, though this number may increase or decrease over time (to a minimum of 21). Each of the individual members lives, works, or is an elected member, in Hoylake.

The Constitution for the Hoylake Community Planning Forum is attached.
