

This pipeline document is intended to provide advance notice of potential procurement opportunities and reflects the Council's current intentions at the time of drafting. The final procurement strategy, procedure, lotting arrangements, contractual scope, timescales, evaluation methodology, and other aspects of any procurement exercise may be amended prior to publication of the procurement documents. Interested suppliers should rely only on the information contained within the formally issued procurement documentation when making business decisions or preparing bids

This pipeline document is intended to provide advance notice of potential procurement opportunities and reflects the Council's current intentions at the time of drafting. The final procurement strategy, procedure, lotting arrangements, contractual scope, timescales, evaluation methodology, and other aspects of any procurement exercise may be amended prior to publication of the procurement documents. Interested suppliers should rely only on the information contained within the formally issued procurement documentation when making business decisions or preparing bids

| Pipeline       | Existing | 24-334-P | TBC                 | Teenage Parents (Our House Trio)                                    | Supported Housing for homeless teenage parents and young people. Provision of this service supports the Council's obligations under Homeless Legislation. Supported housing assists people to develop the skills they need to live independently and forms a crucial pathway for people, preventing homelessness and promoting independence. It significantly reduces levels of repeat homelessness and tenancy failure, thereby generating financial savings across several budget streams. The service can accommodate up to 10 people and their children.                                                                                                                                                                                                                                                                                                                      | Open Tender                            | £701,697.04 | No  | TBC        | Homelessness  | Housing, Supported Housing and Homelessness Services | People    |

This pipeline document is intended to provide advance notice of potential procurement opportunities and reflects the Council's current intentions at the time of drafting. The final procurement strategy, procedure, lotting arrangements, contractual scope, timescales, evaluation methodology, and other aspects of any procurement exercise may be amended prior to publication of the procurement documents. Interested suppliers should rely only on the information contained within the formally issued procurement documentation when making business decisions or preparing bids

This pipeline document is intended to provide advance notice of potential procurement opportunities and reflects the Council's current intentions at the time of drafting. The final procurement strategy, procedure, lotting arrangements, contractual scope, timescales, evaluation methodology, and other aspects of any procurement exercise may be amended prior to publication of the procurement documents. Interested suppliers should rely only on the information contained within the formally issued procurement documentation when making business decisions or preparing bids

This pipeline document is intended to provide advance notice of potential procurement opportunities and reflects the Council's current intentions at the time of drafting. The final procurement strategy, procedure, lotting arrangements, contractual scope, timescales, evaluation methodology, and other aspects of any procurement exercise may be amended prior to publication of the procurement documents. Interested suppliers should rely only on the information contained within the formally issued procurement documentation when making business decisions or preparing bids
