Maps and Address List of designated Selective Licensing Areas

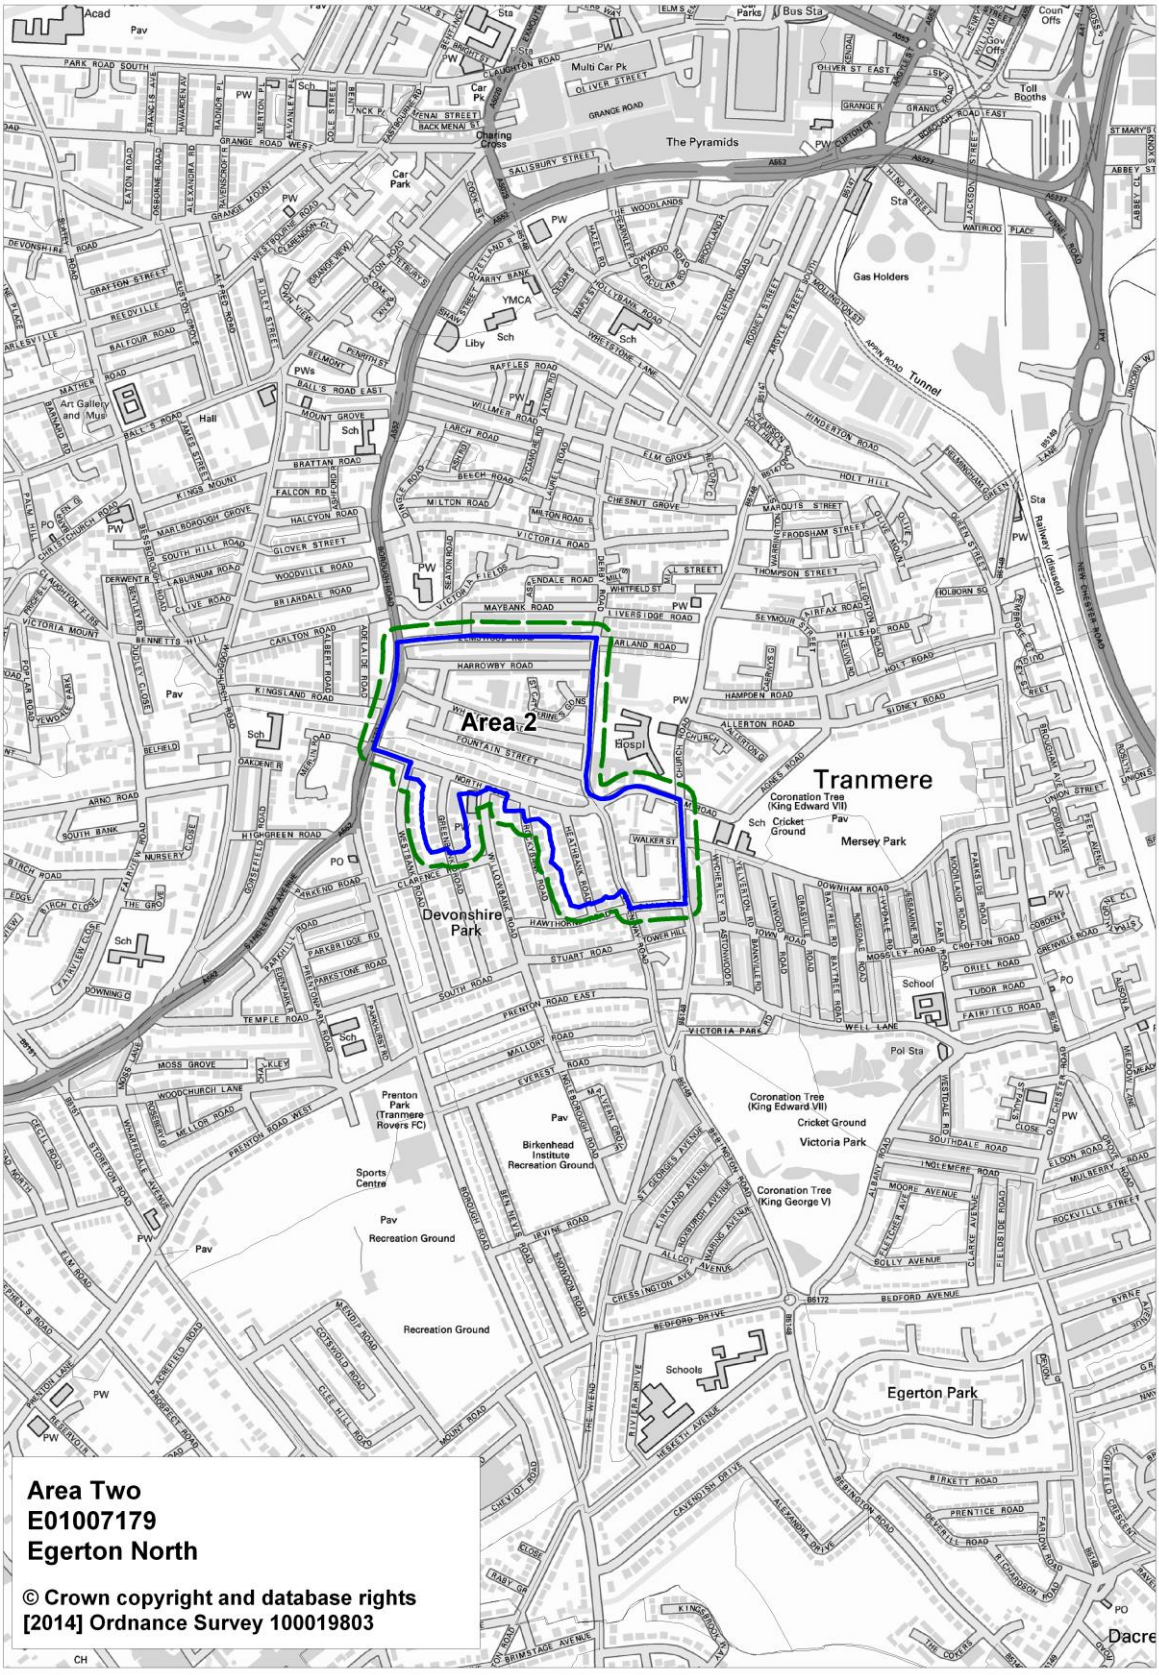

The maps below show the Lower Super Outputs Areas (LSOAs) for Selective Licensing. The blue line on the map shows the designated Selective Licensing area requiring all privately rented properties within the boundary to have licence. Address lists are also provided, however these lists are for reference only. The address lists may exclude recently built properties and conversions, therefore you are advised to check the attached maps to see if your property is located within any of the boundaries of the designated selective licensing areas. Address lists will be updated annually.

1. Area 1 (LSOA E01007129) – Birkenhead South
