

RESOLUTION COUNCIL 3 MARCH 2016

That the following Budget Resolution be agreed and recommended to Budget Council:

BUDGET RESOLUTION 2016/17

Cabinet notes the following:

NATIONAL CONTEXT

1. The 2016/17 Budget is being prepared against the most difficult financial backdrop this Council has ever faced. Local government is under attack from the Conservative's austerity agenda. We believe their vision is of a country where residents in every borough are left to fend for themselves.
2. Their policy of removing the Local Government Revenue Support Grant in its entirety is, in the opinion of this Cabinet, akin to the Government telling every Wirral resident – "don't call us, you're on your own".
3. We believe this policy makes a mockery of the Conservative election campaign slogan "We're all in this together". It shows no understanding of, nor concern for, the plight of those for whom local services are an important and often vital part of life. Those who rely on carers, are looking for safe affordable housing, value our libraries and leisure centres, or enjoy our parks and beaches. Rather than bringing us closer together, this Cabinet contends that this policy simply widens the gap between the rich and the poor.
4. Conservative Council leaders across the country, seemingly fearful of the electoral backlash in May, warned the Government of the danger of its actions. Even backbench Tory MP's spoke about their unease with this policy. The Prime Minister's own mother joined the protest at the cuts to local grants in her community.
5. It is worth noting, however, no such concern or support came from the Conservatives in Wirral: no campaign, petition or lobby from them – it's always somebody else's responsibility to clean up their mess and the irresponsible £17million overspend we inherited.
6. The Government did indeed respond to the outcry from across the political spectrum, but in a way that only further proved to this Cabinet how indifferent to the needs of the country they really are. The Government announced a £300 million Transitional Fund sweetener – in the words of the minister – "*To help Councils transform from dependence on central government grants to greater financial autonomy*" - but almost exclusively targeted it at

Conservative-run Councils, including those containing Mr Cameron's seat in Oxfordshire and the Chancellor's constituency in Cheshire East.

7. Where is Wirral's share? Where is the estimated £2million per year that Wirral should have been entitled to, based on other funding formulas? Where is the money that could have gone towards tackling anti-social behaviour, improving skills and training for our young people, money to support vital services? Cabinet has received no support or heard of no concern from the local Conservative party to challenge this Government policy and support local residents.
8. The funding shortfall for local services will be compounded by the changes proposed for Business Rates. While Westminster and other London Councils can raise business rates from Global PLC's, Banks and Hedge Funds headquartered in their boroughs, the impact on predominantly northern or rural boroughs is frightening. If the government goes ahead with its plan to stop providing additional funding to balance the different levels of business activity across England, it is estimated Wirral could lose a further £6m as a result of this change.

THE WIRRAL CHALLENGE

9. The immediate picture for local government is also challenging. Wirral is required to reduce its spending by at least £129 million before 2020, including a £28 million funding shortfall for the coming year (2016/17). These funding cuts to Wirral come at a time of increasing service demands from an ageing population, complex needs for deprived communities and an increase in costs of providing the services and support which people rely on.
10. Cabinet believes these reductions to be both unfair and unsustainable.
11. However, as residents know, we are a responsible Administration. We refuse to allow this Government to break the services our residents care about and rely on. We are pragmatic, and are able to make the difficult decisions needed to protect the most vulnerable and to deliver the 20 Pledges we committed to in our Wirral Plan.
12. We will continue to lobby government in the strongest possible terms to reverse these policies and to fight for Wirral's fair share and treatment. Once again I call on Elected Members from all parties in Wirral to join me in this effort.

A COLLABORATIVE BUDGET

13. Cabinet will never set its budget in isolation. Time and again we have demonstrated we are an open, progressive Administration who listens.
14. We have listened to residents about what they value most. Once again this Council delivered the most far-reaching consultation and engagement exercise of any authority in the UK, with more than 10,000 local people engaging with us to share their views.
15. Cabinet thanks every resident and organisation who took part in this consultation. We have carefully considered all the responses and feedback we have received.
16. Cabinet also thanks Elected Members – of all parties – who took part in the comprehensive scrutiny process to look in detail at the budget proposals. The feedback from that process has been provided to Cabinet and has proved extremely helpful in making these difficult decisions.

MEETING OUR PLEDGES

17. Regardless of the scale of Conservative Government cuts to this Council's budget, we are a Labour Administration and our budget will be set in a pragmatic and legal framework, with social justice and fairness at its heart. Three core principles have been used to inform our budget, and ensure we make the savings required of us while still achieving the 20 Pledges we have committed to:
 - The vulnerable are safe and protected and we tackle inequality.
 - Wirral is a place where employers want to invest and businesses thrive.
 - We have an attractive and sustainable environment, where good health and an excellent quality of life is enjoyed by everyone who lives here.
18. In July 2015, when we launched the Wirral Plan and the 20 Pledges we will deliver over the next five years, we immediately set to work on making them a reality. We have published our first Annual Report, and I am proud of the achievements highlighted in it - £150million in inward investment coming online during 2016, nearly a thousand new jobs, and 230 new homes built or improved already. We have also created a new Local Authority Trading Company, Wirral Evolutions, to deliver Day Services for adults and developed a joint company – Edsential – with Cheshire West and Chester Council to deliver services to schools such as catering, cleaning and school improvement.

19. There is still more to be done, but we have made a good start towards meeting our 20 Pledges to improve the health, wealth and quality of life enjoyed by Wirral residents.
20. In 2016/17 - this Council will invest more than £260 million into improving residents' lives – protecting the vulnerable, improving our environment and encouraging growth.
21. More than £70 million will be spent supporting our elderly and disabled residents. Our pledge to support people to live independently will see us invest £5 million into providing high-quality, extra care housing options in Wirral. Extra care homes allow our elderly, frail and vulnerable residents to live with dignity and independence while still having the additional support and care they need.
22. We will also invest more than £70 million into protecting our young people; keeping them safe and ensuring they can aim for and achieve higher goals. Already this year we have supported 200 more Wirral families looking to become foster carers for the 700 children living in care in the borough. We are taking an innovative approach to making sure our young people have world-class sports and recreation facilities through the new Youth Zone, a £6 million partnership project between the Council and the private sector which is under construction as we speak.
23. We also know residents expect to be safe, and feel safe. In some parts of the borough, community safety and anti-social behaviour remains a blight on people's lives. We will continue to invest more than £2 million to clamp down on this abhorrent behaviour. This money will be targeted where our resources and those of our partners will have the biggest impact – pooling resources and putting our Anti-Social Behaviour teams under a single command structure led by the Police.
24. We will be investing around £50 million into making sure Wirral's environment remains a source of great pride for our residents. This will also enable Wirral to play its part in tackling climate change. A renewed drive to increase our recycling rates will continue, we will capitalise on the huge cultural, social and health benefits offered by our fantastic parks and we will continue to clamp down on those who damage our environment through littering and fly-tipping. This year we will go further, and will take the same hard line to tackle those people who allow their dogs to foul pavements and parks. This issue is one which residents have told us is important to them: we have listened and we are taking immediate, sustained action.

25. Creating the thriving economy we want for Wirral will also continue at pace. The regeneration of Birkenhead – turning Wirral’s sleeping giant into a fundamental part of the Northern Powerhouse - will help create thousands of jobs for local people. We have worked hard with our partners at the Wirral Chamber of Commerce to help secure a Business Improvement District in Birkenhead – generating an additional £2m in income to deliver improvements such as enhanced security and cleanliness.
26. Efforts to attract inward investment will be joined by our continued support for local high streets and businesses looking to grow and expand within Wirral. In the past 12 months our rates of business start-up have been faster than anywhere else in the Liverpool City Region and we saw an 11% increase in the number of businesses in Wirral. We will retain our successful car parking pricing structure to support local businesses to remain competitive and succeed.

DIFFICULT DECISIONS

27. It is also clear that, once again, we are forced to make far reaching, large scale savings. To ensure the £28million cuts in 2016/17 are delivered in a managed, appropriate way and that they don’t place unnecessary strain on services and residents, we have had to take difficult decisions, act prudently and be innovative in how we deliver the outcomes residents expect in new and sustainable ways.
28. Because the scale of the cuts is so extreme, we have taken pragmatic and carefully costed financial management decisions to ensure the shambles of the £17million overspend we inherited does not happen again.
29. Cabinet also notes that generating additional new income - through new homes, new businesses and the extra revenue they generate - means we can protect the front line services residents care about and rely on.
30. Having been forced to cut £156 million from our budget since 2010, and losing the basic revenue support grant entirely by 2020, we are inevitably faced with difficult decisions about how to provide services now and in the future. We have to look at the services and outcomes residents need, but also think about how we will be able to deliver them going forward.
31. The grants that allowed us to do things in a certain way in the past are, in many cases, no longer available. Services funded by and delivered by the Council are becoming increasingly unsustainable for the long term. To ensure the outcomes our residents rely upon can continue to be delivered, we must work closely with our partners in the public, voluntary and private sector to find new ways to deliver higher quality and more cost effective solutions. As

we state in the Wirral Plan, the challenge going forward is to deliver improved outcomes for the £2billion which the public sector collectively spends in Wirral.

32. The statutory consultation process in regard to the Girtrell Court budget proposal is ongoing. Rightly, every service-user and their family will be consulted about the service they will receive going forward and therefore we instruct the Director of Adult Social Services to complete the consultation process and, having regard to the feedback from that consultation process, in conjunction with the Cabinet Member for Adult Care and Public Health, make a determination on the most appropriate course of action regarding the proposal.
33. This proposal is not made because of some misplaced ideology or political dogma. When the ward member for Moreton West and Saughall Massie was a member of the last Conservative cabinet - they instructed Council to re-provide residential and respite care from **five** Council-run facilities, not because it was a consequence of government cuts, but because they believed private provision was better. Their resolution to Council is set out below.

“Cabinet recognises that Wirral currently has empty capacity in independent sector residential homes and that unit costs to the Council are higher than our neighbours. Cabinet recognises that there is an opportunity to reduce unit costs and develop the range of care supplied by a wide range of providers...”

“The respite care and interim care currently provided at Maplehome, Pensall, Poulton, Meadowcroft and Fernleigh be reprovided by suitable voluntary, community, faith-based or organisations [in] the independent sector under the terms of the existing Contract for Residential and Nursing Home Care together with appropriate care for the small number of long term residents in these homes and Manor Road. The Interim Director of Adult Social Services is also instructed to carry out further consultation with service users and their families, and with the small number of long term residents in these homes about the details of that re-provision.”

Conservative-led Administration, Wirral Council, 09 December 2010.

34. Short memories or political opportunism – you decide - but they have clearly performed a ‘U-turn’ on this position in the last few weeks, or maybe they just didn’t tell the residents and service-users they have been courting, that closing respite care facilities was their policy in the first place.

BUDGET PROPOSALS

35. We have listened to local people, and propose the Budget Report for 2016-17 be recommended to Council for approval, with the exception of the following:

36. This Council spends significant sums every year on providing information, advice and guidance regarding welfare rights. We believe there is a better, more efficient way of investing this money and instruct officers to complete a full review of all spend in this area, with a view to ensuring efficiency while at the same time ensuring the best value and best service for the investment we make. The Council's Welfare Rights service will form part of this review and this savings proposal will therefore be withdrawn while the review takes place.
37. Residents and friends groups have played an active role in the operation and direction of our libraries for many years. Cabinet does not feel that a robust and sustainable plan for delivering library services is yet in place. Cabinet therefore recommends that the projected saving from the library service will be withdrawn to allow for a full review of the options during 2016/17.
38. We have spent the past few months in consultation and negotiations with our Trade Union colleagues and have reached an agreement on the proposed savings related to terms and conditions, upon which Trade Unions are now consulting their Members. This agreement proposes our workforce will continue to take four days unpaid leave – for a further five years – but we will protect our lowest paid colleagues through retaining our pay enhancements and essential car user allowance for the immediate future.
39. Wirral's leisure offer continues to go from strength to strength. We invested £2 million in upgrading the facilities in our leisure centres last year, and will invest a further £2 million in capital funding this year. Already, we have seen a 25% increase in use as more residents take advantage of the opportunity to get fit and keep healthy. Cabinet agrees with the drive to make our leisure centres more sustainable commercially, and equally believes the most vulnerable in our community should also be able to access the facilities and keep fit and healthy. Therefore, we will retain free swimming in school holidays for those young people who receive a pupil premium because their families are most economically disadvantaged.

COUNCIL TAX

40. Throughout his time as Chancellor, George Osborne has known there is a funding crisis in adult social care. But rather than address the problem he made it clear in his Spending Review and all of the financial projections coming out of Whitehall that most eligible Councils in the UK are expected to implement a 2% Adult Social Care Levy. We believe his response is not to fix a crisis, but to ask hard-working Wirral residents to fix it for him.
41. Over the past three years, we were able to freeze Council Tax to help take the pressure off working families. Sadly, this year, in a cynical post-election

move, the Government dropped the grant that enables us to repeat that again this year. In our view this is yet another example of the Government telling us, very firmly, local services are 'not their problem', and if we want to provide them for Wirral residents, then we need to raise the funds ourselves.

42. We want to secure the best outcomes for residents, so Cabinet therefore proposes to increase Council Tax by 1.99% for the coming financial year, and to implement the 2% Adult Social Care Levy. These measures will enable the Council to generate over £4 million to further protect services for residents.

CONCLUSION

43. Once again, this budget has been extremely difficult. Ongoing, draconian reductions in funding and a lack of support from Central Government require this Council to make tough decisions. We will continue to lobby Government in the strongest possible terms to rethink these policies and their impact on Wirral.

44. We believe the Government is letting down this borough – residents should rest assured that we will not.

45. I am pleased that once again we have protected the services residents care about and rely on. Over the coming year it is our absolute imperative to put in place an ambitious but deliverable programme of transformation, to take a fresh look at what this Council does and find new, innovative ways of meeting residents' needs and aspirations.

46. I am proud that this Labour Administration has once again met its duty to the people of Wirral – taking tough decisions and setting a balanced budget, identifying innovative solutions to provide sustainable outcomes and is getting on with the job of delivering our 20 Pledges to create a better Wirral for all of our residents.

3 The Statutory Calculations and Resolution

It be noted that in accordance with Section 31B of the Local Government Finance Act 1992 (as amended), that Cabinet on 17 December 2015 calculated the Council Tax Base 2016/17 for the whole of the properties in its area as 90,481.9 (Item T in the statutory formula).

That the following amounts be calculated and approved by the Council for the year 2016/17 in accordance with Sections 32-36 of the Local Government Finance Act 1992 (as amended) (“the Act”);

- a) £120,274,139 being the amount calculated in accordance with Section 31A (4) of the Act (amended) as the Council Tax Requirement for 2016/17 (item R in the statutory formula). This amount (D) is determined as being the difference between:
 - i) £798,891,200 this being the aggregate of the amounts calculated in accordance with Section 31A (2) of the Act (as amended), i.e. the aggregate of the amounts that the Council estimates that will be charged to a revenue account for the year in performing its functions, that are required to be set aside for contingencies and reserves and required to be transferred from its General Fund to its Collection Fund in the year and

- b) £1,329.26 being the amount calculated in accordance with Section 31B (1) of the Act (amended) as the Basic Amount of Council Tax for 2016/17. This amount being calculated as item R divided by item T (as above).

It be determined that the amount set in (c) above as the Council's Basic Amount of Council Tax for 2016/17 is not excessive in accordance with the principles determined by the Secretary of State under section 52ZC of the Act (as amended) and that no Referendum to approve the Basic Amount of Council Tax is required. The principles require a Referendum to be held for any increases of 4% or above for those authorities with Adult Social Care responsibilities.
