

Wirral COVID-19 Report

Produced: 10th June 2021

Report source: Public Health England (COVID-19 Situational Awareness Explorer)

Period: 30/05/2021 to 05/06/2021

Produced by Wirral Council Public Health Intelligence Team

COVID-19 alert level: Roadmap Step 3 – Reopening Safely

The number of people testing positive for COVID-19 in Wirral is now **lower than during the peak month of January, but cases are now increasing once again and the virus remains a serious threat.**

There is community transmission (e.g. between family members), with new positive COVID-19 cases being seen each day across Wirral and in nearly all age groups.

The current level is **168 cases per week** (in the 7 days to 05/06/2021), the most recent day for which figures are complete.

The latest weekly rate of **COVID-19 in Wirral is 50.6 per 100,000 population** while the **latest positivity rate is 2.1%** (percentage of positive tests of all PCR tests carried out in the last 7 days).

By age band, the proportion of cases in the 7-days to 05/06/2021 were as follows: **0-19 (43.5%), 20-59 (49.4%) and those aged over 60 (7.1%)**, see table below.

There were more cases in men compared to women in the 7-days to 05/06/2021; **50% female, 50% male.**

The ethnicity of confirmed cases (in the 7-days to 05/06/2021) was **82.1% White British, with 11.3% of cases having no ethnicity information recorded and 6.6% from BAME and/or mixed heritage backgrounds and groups.**

Weekly ONS data (published on 08/06/2021) showed **81 registered deaths in Wirral, with no COVID-19 deaths in the latest 7-day period. Total deaths from COVID-19 in Wirral remain at 970.**

All wards now have at least 1 confirmed COVID-19 case (in the 7-days to 05/06/2021) (see map opposite)

There are now 6 wards which have 10 or more cases. All other Wards have fewer than 10 cases (see table on page 2).

Age Bands	Percentage of Cases (%)
0-19	43.5%
20-59	49.5%
60+	7.1%

To protect yourself and others, you must:

- Wash your hands with soap and water often, and as soon as you get home. Use hand sanitiser gel if soap and water is not available.
- Stay at least 2 metres away from anyone you do not live with, or who is not in your support bubble.
- Wear a face covering over your mouth and nose where social distancing is not possible outdoors and indoors. By law, you must now wear them in most indoor settings including public transport, shops, post-offices, banks, beauty salons, visitor attractions and entertainment venues, libraries, community centres, places of worship and public areas in hotels.
- **If you are contacted by Wirral's Test and Trace team, then please follow their instructions. If you have symptoms of coronavirus you must self-isolate, get a test; stay at home until you get a result; your household or support bubble must also stay at home until you get your result.**

Ward	Cases w-e 05/06/2021
