

Wirral COVID-19 Report

Produced: 29th June 2021

Report source: Public Health England (COVID-19 Situational Awareness Explorer)

Period: 17/06/2021 to 23/06/2021

Produced by Wirral Council Public Health Intelligence Team

COVID-19 alert level: Roadmap Step 3 – Reopening Safely

The number of people testing positive for COVID-19 in Wirral is now extremely high again **and the virus remains a serious threat**. There is community transmission (e.g. between family members), with new positive COVID-19 cases being seen each day across Wirral and in nearly all age groups.

The current level is **631 cases per week** (in the 7 days to 23/06/2021), the most recent day for which figures are complete.

The latest weekly rate of **COVID-19 in Wirral is 194.7 per 100,000 population** while the **latest positivity rate is 5.2%** (percentage of positive tests of all PCR tests carried out in the last 7 days).

By age band, the proportion of cases in the 7-days to 23/06/2021 were as follows: **0-19 (41.0%), 20-39 (36.3%), 40-59 (18.4%) and those aged over 60 (4.3%)**, see table below.

There were more cases in females (**52.3%**) compared to males (**47.7%**) in the 7-days to 23/06/2021.

The ethnicity of confirmed cases (in the 7-days to 23/06/2021) **was 84.3% of cases of White British ethnicity, 6.0% from a BAME and/or mixed heritage backgrounds and 9.7% unknown**.

As of 28/06/21, **84.3%** of all those currently eligible in Wirral have had at least 1 COVID-19 vaccination.

Weekly ONS data (published on 29/06/2021) **showed 67 registered deaths in Wirral, with no COVID-19 deaths in the latest 7-day period. Total deaths from COVID-19 in Wirral remain at 970.**

All wards now have at least 15 confirmed COVID-19 cases (in the 7-days to 23/06/2021) (see map opposite)

There are eight wards that have 30 or more cases (see table on page 2)

Age Bands	Percentage of Cases (%)
0-19	41.0%
20-39	36.3%
40-59	18.4%
60+	4.3%

To protect yourself and others, you must:

- Wash your hands with soap and water often, and as soon as you get home. Use hand sanitiser gel if soap and water is not available.
- Stay at least 2 metres away from anyone you do not live with, or who is not in your support bubble.
- Wear a face covering over your mouth and nose where social distancing is not possible outdoors and indoors. By law, you must now wear them in most indoor settings including public transport, shops, post-offices, banks, beauty salons, visitor attractions and entertainment venues, libraries, community centres, places of worship and public areas in hotels.
- **If you are contacted by Wirral's Test and Trace team, then please follow their instructions. If you have symptoms of coronavirus you must self-isolate, get a test; stay at home until you get a result; your household or support bubble must also stay at home until you get your result.**
