*I/we agree to give Wirral Council the following undertaking

*I/we have the necessary funding, knowledge and experience to acquire and refurbish a vacant property to a lettable standard within a six month period; with a view to achieving re-occupation at the earliest opportunity.

If successful in acquiring vacant premises through the Housing Standards Team's Developers List service, *I/we agree to:-

1. Undertake the necessary refurbishment works
 - Internal works to a lettable standard (within 6 months)
 - External works as necessary following advice from the Housing Standards Team (as soon as reasonably practical) thus ensuring any negative impact the vacant property is having on the neighbourhood is addressed.

2. On completion of the necessary works*I/we intend to:-
 - Let the property
 - Reside in the property
 - Dispose of the property

Consent

Reasons for data collection

Housing Services collect data for a range of reasons to ensure that housing services and the housing stock in the borough meet the needs of a wide range of households and that housing services enable residents to access accommodation and are able to live and remain in safe, secure and appropriate housing. Data is also used for adapting and improving housing stock to meet the needs of the occupiers, supporting residents to access housing provision, influencing the development of new homes, improving housing conditions in the borough to protect residents, ensuring housing meets the specific needs of diverse households and to influence the design of housing support

services. Data will also be used to inform service users of changes to service provision including the introduction of new services and may seek views from service users and potential service users.

How we collect data

The vast majority of the data held by Housing Services is collected directly from you, face to face, over the telephone, in writing or through the provision of required documentation; however, some of the data is collected in other ways including:

Partner agencies that share information to provide a joined up service

When members of the public report issues to us

When the emergency services, including law enforcement agencies and Probation Services share information to safeguard residents

How we protect your data

Your information will be held in a secure way, whether it is on paper or in electronic form and it will only be available to those who have a right to see it.

People we share data with

Housing Services shares data with others to enable a requested or statutory service to be provided where this needs to be done to meet a legal duty, or is in the public interest or we have obtained your consent

How long we keep your data?

For as long as it is necessary to perform the function that it was originally collected. After this function has been performed all data is kept unused for a period of time as detailed in the Council's Retention and Destruction policy, prior to being securely destroyed

Your data rights

You have a range of rights relating to your personal data including:

the right to:

- access your personal information in the majority of circumstances,
- update inaccurate data,
- restrict processing of any inaccurate data.
- object to certain processing such as direct marketing
- data portability in cases where consent is given
- erase data
- withdraw your consent when it has previously been given
- complain about data handling

Automated decision making and profiling

We do not carry out 'automated decision making' using your data but we do sometimes carry out profiling to ensure services are targeted at the correct service users

Complaints

We try to resolve an initial complaint directly and informally however you can ask to have any complaint dealt with through the Councils formal complaints procedure.
