5. A Street Collection

The Police, Factories, etc (Miscellaneous Provisions) Act 1916 as amended by the Local Government Act 1972 empowers local authorities to regulate collections with respect to the place where the conditions under which street collections may be permitted for charitable purposes within its area.

House to house collections are regulated separately and application forms and guidance notes can be obtained from the Licensing Section.

6. Applying for a Permit

An application for a street collection can be made on the appropriate form available from the Council’s Licensing Section.

Applications must be received at least one month prior to the date of the collection.
Applicants are advised to enquire if the date(s) required is available before submitting the form.

If everything is in order, a permit will be issued together with a form for the return of accounts.

7. Council’s Policy on Collections

The Council has resolved that it will grant street collection permits only to national and local Wirral Charities and that organisations are restricted to one collection per year in any one area.

Prospective applicants are requested to liaise with the Council regarding the date(s) and the area(s) within the Borough where it is proposed to make a street collection.
