Pupils with special educational needs and disabilities who attend The Lyndale School and the two other CLD primary special schools	<ul style="list-style-type: none"> It is possible that there may be negative impact on existing pupils of the school if the decision is to close the school. However, the remaining pupils will be found another school/setting with special educational provision that can cater for each pupil's educational health and care needs by undertaking the relevant statutory processes. This will provide new and different opportunities for the children and families. The children at The Lyndale School can access provision at Elleray Park School and Stanley School taking into account parental preference. 	<p>Should the school close the local authority will discuss with each parent, individually their preferences for other schools.</p> <p>Every effort is currently being made to ensure that the needs assessment of each child is maintained by the school, family and the Council via the ongoing work with the education psychology service with the support of continuing care where appropriate.</p> <p>Discussions are being held</p>	Phil Ward	During the representation period and implementation period if proposal agreed. Section 4a: Where and how will the above actions be monitored?

Monitoring will be through an operational group set up to oversee the outcome of the proposal if agreed. This will be chaired in future by the senior SEN Manager.

Any new issues which may emerge during the current representation period which is due to close on the 19th November 2014, which may impact on equality issues, will lead to a further EIA update being produced.

Section 4b: If you think there is no negative impact, what is your reasoning behind this?

N/A

Section 5: What research / data / information have you used in support of this process?

Past, current and future pupil numbers.

Financial/funding data held by the children's department. Employment of an independent consultant to comment on options and the SEN Improvement Test.

Views expressed during the consultation period that took place between 2nd April 2014 and 25th June 2014.

Section 6: Are you intending to carry out any consultation with regard to this Council proposal?

See below. Consultation has already taken place.

(please stop here and email this form to your Chief Officer who needs to email it to engage@wirral.gov.uk for publishing)

Section 7: How will consultation take place and by when?

A public consultation commenced on the 2 April 2014 which complied with all the necessary legislative requirements and ended on the 25th June 2014. A series of six public meetings were held as part of that consultation process. Anyone with questions and views had the

opportunity to contact the Department and express their views by way of on line responses, writing to the Department and completion of response forms provided at the consultation meetings. A full response was made to Cabinet on the 4th September 2014 and to the Coordinating Committee held on the 2nd October 2014.

Before you complete your consultation, please email your preliminary EIA to engage@wirral.gov.uk via your Chief Officer in order for the Council to ensure it is meeting it's legal publishing requirements. The EIA will need to be published with a note saying we are awaiting outcomes from a consultation exercise.

Once you have completed your consultation, please review your actions in section 4. Then email this form to your Chief Officer who needs to email it to engage@wirral.gov.uk for publishing.
