Section 4a: Where and how will the above actions be monitored?

No actions to be taken. All service users will be invited to complete and return an equality and diversity questionnaire.

Section 4b: If you think there is no negative impact, what is your reasoning behind this?

The policy is primarily targeted on low income households deemed to be in need of assistance. With the exception of age and disability the policy does not positively discriminate against other protected groups and, in the case of age and disability this is limited to certain specific circumstances deemed to be appropriate to these groups.

Section 5: What research / data / information have you used in support of this process?

Information obtained from customer satisfaction feedback forms and changes to the ongoing area based work programme have been used to inform the proposed Policy.

Section 6: Are you intending to carry out any consultation with regard to this Council proposal?

Yes

If ‘yes’ please continue to section 7.

If ‘no’ please state your reason(s) why:

(please stop here and email this form to your Chief Officer who needs to email it to engage@wirral.gov.uk for publishing)

Section 7: How will consultation take place and by when?

Council officers working in the Strategic Housing Services Team and Housing Options Team have been consulted on the proposed policy. The proposal will be considered further by the Portfolio holder for Housing and the Strategic Director for Regeneration and Environment. As
it is considered that the revised Policy only makes minor changes to the previous policy (Version 6), no public consultation is considered necessary on this occasion.

Before you complete your consultation, please email your preliminary EIA to engage@wirral.gov.uk via your Chief Officer in order for the Council to ensure it is meeting it’s legal publishing requirements. The EIA will need to be published with a note saying we are awaiting outcomes from a consultation exercise.

Once you have completed your consultation, please review your actions in section 4. Then email this form to your Chief Officer who needs to email it to engage@wirral.gov.uk for publishing.

**Section 8:** Have you remembered to:

a) Select appropriate directorate hyperlink to where your EIA is/will be published (section 2a)

b) Include any potential positive impacts as well as negative impacts? (section 4)

c) Send this EIA to engage@wirral.gov.uk via your Chief Officer?

d) Review section 4 once consultation has taken place and sent your updated EIA to engage@wirral.gov.uk via your Chief Officer for re-publishing?
