- Those with disabilities (including invisible and learning disabilities)

The purpose of the report is to identify specific groups and communities who are experiencing differing health outcomes in Wirral to identify ways in which to improve their health thereby making recommendations to enhance potential positive outcomes and minimise negative impacts. Collective system action will therefore have a positive impact on all groups as well as specific groups and communities affected by health inequalities.

**NEGATIVE**
Wirral Partners remain in both emergency and recovery response therefore resources are pressured, and services stretched.

The recommendations within the PHAR are intended to support and inform the local system to plan for the future and enable the borough to recover effectively for everyone. The emerging recommendations from this Report were presented to the multi agency HWB in July 2021.

act. Deprivation is identified within the report a significant factor in determining health outcomes and differences observed within the local population. Recommendations included attempt to support efforts to improve health outcomes in these areas.
Section 4a: Where and how will the above actions be monitored?

The delivery of the PHAR will be overseen by the Health & Wellbeing Board. Surveillance of needs and progress across the population will be undertaken as part of this work which will monitor impact.

Section 4b: If you think there is no negative impact, what is your reasoning behind this?

N/A

Section 5: What research / data / information have you used in support of this process?

Quantitative and qualitative intelligence and insight from a range of sources. National and local research and guidance. Substantial data and information is provided throughout the Report and in the supplementary technical document providing evidence relevant to different communities.

Section 6: Are you intending to carry out any consultation with regard to this Council proposal?

Yes

If ‘yes’ please continue to section 7.

If ‘no’ please state your reason(s) why:

(please stop here and email this form to your Chief Officer who needs to email it to engage@wirral.gov.uk for publishing)

Section 7: How will consultation take place and by when?

The emerging recommendations from this Report were presented to the multi agency HWB in July 2021 and to the Community, Voluntary and Faith Sector Task and Finish Group in August 2021 to inform the final version of the Report. Insight gathered from communities
during the pandemic has also been used throughout the report and in determining the recommendations.

Before you complete your consultation, please email your preliminary EIA to engage@wirral.gov.uk via your Chief Officer in order for the Council to ensure it is meeting its legal publishing requirements. The EIA will need to be published with a note saying we are awaiting outcomes from a consultation exercise.

Once you have completed your consultation, please review your actions in section 4. Then email this form to your Chief Officer who needs to email it to engage@wirral.gov.uk for publishing.

Section 8: Have you remembered to:

a) Select appropriate directorate hyperlink to where your EIA is/will be published (section 2a)
b) Include any potential positive impacts as well as negative impacts? (section 4)
c) Send this EIA to engage@wirral.gov.uk via your Chief Officer?
d) Review section 4 once consultation has taken place and sent your updated EIA to engage@wirral.gov.uk via your Chief Officer for re-publishing?
