

Application Form – School Governor – Criteria and application form

Thank you for choosing to register an interest in becoming a school governor. Before you begin to complete the form, please take time to read some of the things that will be expected of you if you are appointed at a school:

- Attend meetings. Most governing bodies meet either once or twice a term and you are expected to give the Chair plenty of notice if you are unable to attend.
- Join at least one committee. It is only as a member of a committee that you will be able to contribute fully to the work of the governing body. Committee meetings typically take place once or twice a term.
- You should try and arrange to visit the school during the day, say, once a year. Most governing bodies draw up a rota for school visits, which are always agreed with the Head.
- You should be prepared to attend training courses which are offered free to all governors by the Governor Support Service. Both day and evening sessions are offered.

As with most things, the more you put into being a governor, the more you get out of it. So this certainly means a time commitment and a willingness to learn.

Please tick the box to confirm that you are willing to meet the above requirements of being a school governor and complete and return the form below.

Please complete the form and send it to: paularowlands@wirral.gov.uk
